## Technical Picks

ASIANPAINTS 30 DEC 2820 PE	
Reco Price	₹56
Call Buy	
Target Price	₹75/84.45
Stop Loss	₹43.15
Time Frame	

### Rationale for Recommendation

Asian Paints faced a firm rejection near the 3000 zone and slipped below its immediate support at 2860, signaling a short-term momentum cool down. The price now has clear room to drift toward the 2820–2800 demand zone, where multiple support signals cluster. This makes the 2820 PE a reasonable short-duration bearish setup at 56 with stop loss at 43.15 and upside target of 75 if break then 84.45.
