Technical Picks

Adani Ports and Special Economic Zone Limited	
Reco Price	₹1543
Call Buy	
Target Price	₹ 1625/1670
Stop Loss	₹1475
Time Frame	2 weeks

Rationale for Recommendation

Adani Ports has broken above a long-term descending trend line while sustaining on a rising higher-low structure, indicating strengthening bullish momentum. A close above the 1,530 resistance zone can open the path toward 1,620-1,670, while the rising trend line near 1,475 serves as a key support for risk management.
