## Technical Picks

| Aegis Logistics Limited |             |
|-------------------------|-------------|
| Reco Price              | ₹ 1370      |
| Call Buy                |             |
| Target Price            | ₹ 1460/1509 |
| Stop Loss               | ₹ 1294      |
| Time Frame              |             |
|                         |             |

### Rationale for Recommendation.

Aegis Logistics stock maintains a bullish structure, trading above all key EMAs and showing a recovery from the 1,295-1,294 support zone. Sustaining above 1,370 can support an upside move toward 1,460 and 1,510. Buy/Hold on dips, with 1,310 as the key support level; a sustained break below ₹1,295 would weaken the setup.
