Technical Picks

Ahluwalia Contracts (India) Limited	
Reco Price	₹1020
call Buy	
Target Price	₹ 1123
Stop Loss	₹962
Time Frame	2 Weeks

Rationale for Recommendation

Ahluwalia Contracts has shown a strong breakout above the ₹1020 resistance with a sharp volume spike, indicating strong buying interest. The next resistance is around ₹1,123, providing an upside target. The breakout suggests bullish momentum, so buying on dips near ₹962 could be a good opportunity, while a fall below ₹900 may signal weakness.
