Technical Picks

Anlon Healthcare Limited	
Reco Price	**₹15.90**
Call Buy	
Target Price	**₹17.50/18.2**
Stop Loss	**₹15.10**
Time Frame	

Rationale for Recommendation.

Anlon Healthcare is exhibiting a positive technical setup as the stock trades above its 20, 50, 100, and 200-day EMAs, indicating strength across all major timeframes. After a healthy consolidation near the ₹15.90 resistance zone, the stock appears poised for a breakout. A sustained move above ₹15.90 could drive the stock towards ₹17.50 and ₹18.20, while ₹15.10 remains a crucial support level for maintaining the bullish outlook.
