Technical Picks

Ather Energy Limited	
Reco Price	₹ 685
Call Buy	
Target Price	₹ 765
Stop Loss	₹ 645
Time Frame	2 weeks

Rationale for Recommendation

Ather Energy has rebounded strongly from the ₹645–650 support zone and is now approaching the resistance band at ₹765–792, which earlier acted as a supply zone. A close above this range may resume the uptrend toward higher levels, while failure to break out could trigger consolidation. Overall momentum is improving, and the structure remains positive as long as it stays above ₹645.
