Technical Picks

Bajaj Housing Finance Limited	
Reco Price	₹97
Call Buy	
Target Price	₹103/105
Stop Loss	₹94
Time Frame	2 weeks

Rationale for Recommendation.

Bajaj Housing Finance is forming a symmetrical triangle after a sustained downtrend, indicating consolidation at lower levels. A decisive close above 97 would signal a short-term breakout with scope toward 103–105. Immediate support lies near 94–95, which is critical to hold. Failure to sustain above this zone would keep the structure weak and range-bound.
