Technical Picks

DIXON 27 MARCH 14000PE	
Reco Price	₹ 325
Buy Put	
Target Price	515/600
Stop Loss	₹ 210
Time Frame	1 week

Rationale for Recommendation.

The stock face a rejection from near its resistance struggle to sustain higher and show possible sign of pullback and make downside move from here. If we look OI then at 14000 sport price higher no. Of seller is standing there. If we look on lower time frame bearish harami candlestick formed with conformation give us an entry point.
