Technical Picks

Deep industries	
Reco Price	₹510
Call Buy	
Target Price	₹575
Stop Loss	₹489
Time Frame	2 Week

Rationale for Recommendation

Deep Industries is in a strong bullish trend on the daily chart after multiple Break of Structure (BOS) confirmations and a sharp breakout above 450 resistance. The buy entry at 510 is slightly below the current price, aiming for a target of 575, which aligns with the next resistance zone. The stop loss at 489 is placed below minor support to protect against a pullback.
