Technical Picks

Godfrey Phillips India Limited	
Reco Price	₹2240
Call Buy	
Target Price	₹2430/2475
Stop Loss	₹2125
Time Frame	2 weeks

Rationale for Recommendation.

The stock has witnessed a sharp corrective move and is now trading near a strong historical support zone of 2,125–2,050, where buying interest is visible. The recent strong bullish candle with high volume indicates a potential pullback from oversold levels. A sustained move above 2,200–2,230 can open upside towards 2,430–2,475, while 2,125 remains a critical stop-loss, below which the bullish view may get invalidated.
