IIFL Capital Services Limited

Reco Price	₹350

Target Price	₹387
Stop Loss	₹330
Time Frame	2 weeks

Rationale for Recommendation.

IIFL is trading above the rising trend line and has given a fresh breakout above the 350 zone, indicating improving momentum. As long as the price holds 330, the structure remains positive. On the upside, a sustained move can lead to 380-387. A close below 330 would weaken the setup and may trigger a short-term pullback.
