Technical Picks

IOL Chemicals and Pharmaceuticals Limited	
Reco Price	₹73.50
Call Buy	
Target Price	₹78.50/81
Stop Loss	₹70.70
Time Frame	2 weeks

Rationale for Recommendation.

IOL Chemicals & Pharmaceuticals Ltd. is showing a short-term bullish bounce after repeatedly holding the ₹70–72 support zone, supported by a recent strong bullish candle and volume pickup. A sustained move above ₹73-74 is needed to confirm a trend reversal, while failure below ₹70 would negate the bullish view.
