## Technical Picks

JM Financial Limited	
Reco Price	₹ 135
Call Buy	
Target Price	₹145/153
Stop Loss	₹ 130
Time Frame	2 weeks

### Rationale for Recommendation.

The stock has given a breakout above the falling trend line on the daily timeframe, indicating a potential trend reversal after a prolonged downtrend. Price has successfully retested the breakout zone near ₹132–₹135 and is showing signs of buying interest, suggesting the breakout is sustaining. If the stock holds above ₹132, it can witness fresh upside momentum towards ₹145–₹153 in the short term. Traders can consider buying on dips with a stop-loss below ₹128-130 to manage risk.
