## Technical Picks

KEI Industries Limited	
Reco Price	₹ 4107
Buy Call	
Target Price	₹ 4300/ 4480
Stop Loss	₹ 3904
Time Frame	2 Week

### Rationale for Recommendation

The stock has formed a cup and handle pattern on daily and weekly time frame and gave us strong breakout with bullish candle and high volumes. The stock has bounce back from its short term moving average. Now if the stock hold the above 4100 level then we could expect a good momentum in near days.
