Technical Picks

Safari Industries (India) Limited	
Reco Price	**₹ 1669**
Call Buy	
Target Price	**₹1774/1802**
Stop Loss	**₹1588**
Time Frame	

Rationale for Recommendation.

Safari Industries is witnessing a strong recovery and is currently trading near the ₹1,670 resistance zone after forming a higher-low structure. A sustained breakout above this zone could trigger fresh buying momentum, with upside targets of ₹1,774 initially, followed by ₹1,802. The bullish setup remains valid as long as the stock holds above ₹1,588, which acts as the key support and invalidation level.
