## Technical Picks

Kross Limited	
Reco Price	₹215
Call Buy	
Target Price	₹240/244
Stop Loss	₹200
Time Frame	2 weeks

### Rationale for Recommendation.

The stock is in an uptrend and has been forming higher highs and higher lows. Recently, it has given a strong breakout from a cup pattern with strong volumes, suggesting potential buying interest. The stock is trading above all major moving averages. A sustained move above 215 could open the door for further upside, while a move below 200 may weaken the structure.
