Technical Picks

LIC Housing Finance Limited	
Reco Price	₹ 527
Call Buy	
Target Price	₹551/564
Stop Loss	₹513
Time Frame	2 weeks

Rationale for Recommendation.

LIC Housing Finance is showing a mild bullish setup as it has repeatedly taken support near the ₹510–515 zone and bounced back, indicating strong buying interest. The price is attempting to reclaim short-term moving averages, and a sustained move above ₹520-530 can trigger fresh upside momentum toward ₹551–564 levels. Risk remains limited as long as it holds above ₹513, making the current structure favorable from a risk-reward perspective.
