Technical Picks

NIFTY 30 DEC 25950 PE	
Reco Price	₹43
CE Buy	
Target Price	₹58
Stop Loss	₹39
Time Frame	15 DAYS

Rationale for Recommendation

25950 PE was a good buy today from a technical perspective as Nifty was trading near a key resistance zone and showed signs of rejection, indicating limited upside. The option saw a pickup in volume and open interest, suggesting fresh bearish positioning.

Momentum indicators hinted at exhaustion near higher levels, making the downside hedge favorable, while the premium offered a good risk-reward as any pullback or consolidation in the index supported PE buying.
