## Technical Picks

PB Fintech Limited	
Reco Price	₹1920
Call Buy	
Target Price	₹2040
Stop Loss	₹1846
Time Frame	2 weeks

### Rationale for Recommendation

Price has broken above a long-held descending trendline, indicating a potential shift from consolidation to upward momentum. A sustain move above 1920 could add further momentum with the target around 2030, while support rests near 1820–1845. Sustaining above the breakout zone can open room for further upside.
