Technical Picks

Precision Wires India Limited	
Reco Price	₹236
Call Buy	
Target Price	₹263
Stop Loss	₹226
Time Frame	2 weeks

Rationale for Recommendation.

The stock has given a strong bullish candle with volume, indicating fresh buying interest from lower levels. Price has reclaimed the 20 & 50 EMA zone and is holding above the key support of 230–232, which keeps the short-term structure positive. A sustained move above 235–236 can trigger further upside towards 260–263. On the downside, 226 remains a crucial support below this, momentum may weaken.
