Technical Picks

Prime Focus Limited	
Reco Price	₹ 330
Call Buy	
Target Price	₹ 356/370
Stop Loss	₹ 308
Time Frame	

Rationale for Recommendation.

Prime Focus stock maintains a bullish structure, trading above all key EMAs with improving price momentum and higher lows. Sustaining above 328-330 can support an upside move toward ₹350, followed by 370 on a decisive breakout. with 308 as the key support; a sustained break below this level would weaken the bullish setup.
