Technical Picks

Punjab National Bank	
Reco Price	**₹118**
Call Buy	
Target Price	**₹125/129**
Stop Loss	**₹113**
Time Frame	

Rationale for Recommendation.

Punjab National Bank the stock maintains a positive structure after a strong recovery, currently consolidating between 113 and 120. A decisive breakout above 118 with volume can support an upside move toward 125 and 129. Hold/Buy on breakout, with 113 as the key support; a sustained break below this level would weaken the bullish setup.
