## Technical Picks

Redington Limited	
Reco Price	₹279
Call Buy	
Target Price	₹310/ 315
Stop Loss	₹ 263
Time Frame	2 weeks

### Rationale for Recommendation.

Redington is trading within a broader consolidation after a prior decline and is currently testing a falling trend line. A sustained close above the 278-279 zone would indicate a short-term bullish breakout with scope toward 310–315. Immediate support lies near 263–265, which remains crucial to hold. Failure to stay above this support would keep the stock range-bound to weak.
