Technical Picks

Sona BLW Precision Forgings Limited	
Reco Price	₹ 533
Call Buy	
Target Price	₹ 585/600
Stop Loss	₹ 507
Time Frame	2 weeks

Rationale for Recommendation.

The stock has delivered a strong breakout above the ₹530 resistance zone, supported by improved volumes, indicating fresh buying interest. After a prolonged downtrend, it has formed a higher low structure and is now trading above the 20, 50, and 100 EMAs, signaling a short-term trend reversal. Sustaining above ₹535 may lead to further upside toward ₹585–600 levels. Buying on dips near ₹525–530 is advisable, with a stop-loss below ₹507 to manage risk.
