## Technical Picks

Styrenix Performance Materials Limited	
Reco Price	₹1958
Call Buy	
Target Price	₹2035/2050
Stop Loss	₹1880
Time Frame	2 weeks

### Rationale for Recommendation.

The stock is approaching a strong demand and support zone near 1,900–1,850, where buying interest may emerge. the price forms a base and gives a reversal confirmation with rising volumes, a short-term pullback rally can be expected. A sustained move above 1950 could trigger upside towards 2,035–2,050, while a close below 1,880 would negate the bullish view.
