Technical Picks

Suprajit Engineering Limited	
Reco Price	**₹ 494**
Call Buy	
Target Price	**₹525/537**
Stop Loss	**₹475**
Time Frame	

Rationale for Recommendation.

Suprajit Engineering is consolidating just below the ₹494 resistance zone after a strong recovery, indicating healthy profit booking while maintaining a positive trend. A sustained breakout above ₹494-500 could trigger fresh buying momentum, with upside targets of ₹530 initially, followed by ₹537. The bullish setup remains valid as long as the stock holds above ₹475, which acts as the key support and invalidation level.
