## Technical Picks

TATA COMM	
Reco Price	₹1800
Buy july future	
Target Price	₹1840
Stop Loss	₹1780
Time Frame	Swing trade

### Rationale for Recommendation

This is a bullish continuation swing trade setup. The stock showed strong breakout momentum, followed by consolidation. A buy above ₹1800 aligns with breakout continuation logic, offering a solid 1:2 R:R with ₹1780 SL and ₹1840 target.
