Technical Picks

The Indian Hotels Company Limited	
Reco Price	₹ 769
Buy Call	
Target Price	₹ 786/800+
Stop Loss	₹ 730
Time Frame	3 week

Rationale for Recommendation

The stock has given a good breakout from its symmetrical triangle pattern with huge capital deploy and supportive volumes on daily and weekly time frame. Showing a sigh of buyer's interest at this level and also took a support on its short term moving averages. If the momentum sustain then we could expect a good move ahead in near weeks.
