## Technical Picks

### Thyrocare Technologies Limited

<b>Reco Price</b>	<b>₹473</b>
<b>Call Buy</b>	
<b>Target Price</b>	<b>₹518</b>
<b>Stop Loss</b>	<b>₹452</b>
<b>Time Frame</b>	<b>2 weeks</b>

### Rationale for Recommendation.

The stock has formed a strong base, and the price is now shifting in an upward direction on the daily time frame. The stock has broken out of its recent phase of consolidation with good volumes on the daily time frame. A sustained move above 470-473 could lead to an upside move toward 500–518. On the downside, 452 will act as a short-term support; below this level, the structure may weaken.
