Technical Picks

Torrent Power Limited	
Reco Price	₹1375
Call Buy	
Target Price	₹1585
Stop Loss	₹1303
Time Frame	2 weeks

Rationale for Recommendation.

The stock on daily time frame has gave good breakout from its base after a long consolidation it has broken above a long-term falling trend line, indicating a potential trend reversal with improving momentum. The 1,300 zone now acts as key support, while 1,585 is the immediate resistance to watch. A sustained move above this level can lead to further upside move, but a fall back below 1,300 would weaken the bullish setup.
