## Technical Picks

VBL Futures	
Reco Price	₹ 509
Sept. fut. Buy	
Target Price	₹511/518
Stop Loss	₹499
Time Frame	2 Week

### Rationale for Recommendation

The stock has bounce back from its support zone and also taking support at its 20 days EMA and bounce back from there, the stock on daily and hourly time frame time looks bullish. If the momentum sustain then we can expect to see a good upside move. Maintain strict stop loss at 499.
