Technical Picks

Varroc Engineering Limited	
Reco Price	₹688
Call Buy	
Target Price	₹745
Stop Loss	₹660
Time Frame	2 weeks

Rationale for Recommendation

Varroc is approaching a major horizontal resistance around the 670–680 zone after forming a steady higher-low structure, indicating strengthening accumulation. A decisive breakout above this level could trigger a move toward 740+, while support around 660 should be watched for risk control.
